

HOLOSUN® Limited Lifetime Warranty

To the original owner, your Holosun product is warranted free of defects in materials and workmanship with the Holosun Limited Lifetime Warranty. This warranty specifically applies to the metal structure of the product and does not apply to the optical and illumination systems. The optical system is covered by the 5 year warranty. The illumination system including electronics is covered by the 3 year warranty. Batteries are not covered under warranty. In the event of a confirmed defect under this warranty, we will, at our option, repair or replace the product. This Limited Warranty does not apply to: (a) asserted defects caused by normal wear and tear of any part including knobs, camouflage finish, etc.; (b) asserted defects caused by modification, unauthorized service, accidents, neglect, misuse, abuse, improper maintenance, acts of Nature; and (c) asserted defects involving subjective personal likes or judgments. Also, this warranty is null and void if modification or maintenance is provided by someone other than Holosun. Registration is not required to validate this warranty.

Warranty Service

To receive a Return Authorization (RA) number for warranty service, you will need to do the following:

1. Call 1-877-926-4618 or email warranty@holosun.com describing your issue. Including images can assist with the process. A copy of the original Proof of Purchase showing date of purchase must be provided to process the RA.
2. Once the request has been received you will either receive a reply by email that contains all of the necessary return information, or a customer service representative will contact you and give you an RA number over the phone.
3. If the date is less than 90 days from the purchase date, Holosun will cover the cost of shipping the repaired or replacement product back to you. Otherwise, please include a check or money order in the amount of \$10 payable to Holosun Technologies Inc. with the product being shipped to use. This partially offsets processing and shipping costs. All return transportation, insurance and freight charges associated with the warranty service and repairs are the responsibility of the purchaser.
